

SOS Report

November 4th 2016

Watch your hedges today, as you might run into problems over the weekend if we get a surge of buying on Saturday.

-Pete

November 2 CME Group:

- * CME raises COMEX 100 Gold futures (GC) maintenance margins by 11.1% to \$6,000 per contract from \$5,400 for Nov. and Dec. 2016
- * CME raises COMEX 5000 Silver futures (SI) maintenance margins by 10.5% to \$5,800 per contract from \$5,250 for Nov. and Dec. 2016
- * CME says the rates will be effective after the close of business on Nov. 3 (Reporting by Nithin Prasad and Harshith Aranya in Bengaluru)

Sincerely,

Peter Thomas
